

## ISDRA Medals Sponsor Program

For the 2010 Medal Sponsor program we are offering the same levels and amounts as 2009, but we are offering the program to Life Members, Honorary Members and businesses right off the bat. If you would like to sponsor a medal, individually, by class, by group or by program please contact [dsteele@brainerd.net](mailto:dsteele@brainerd.net) or call (218) 765-4297. We will reserve commitment to specific medals and levels as shown at the bottom, but you may reserve your choices at any time, so please contact us early to assure that your choice will be available at the appropriate time.

We have added new incentives to this program as follows; 1) An exclusive sponsor for the complete ISDRA Medals program will receive complimentary banquet tickets for four as well as free vendor space for the conference. 2) A sponsor at any group level will receive two complimentary banquet tickets. 3) A sponsor of all three Medals in any class will receive one complimentary banquet ticket.

**All sponsors at any level will receive acknowledgement at the Awards Banquet, on our web site and within the pages of Dog & Driver Magazine.**

**New in 2010!! - A sponsor of the full Medals program may have a logo in business card size ad space in Dog & Driver magazine with the text 'Sponsor of the ISDRA Medals Program' and web site URL for five consecutive issues.**

**Thank you for your support in 2010!**  
**Dave Steele**

**Please note: preference for specific sponsorships will be given to those sponsoring the same medal(s) in the previous sason.**
